

## Relevance Statement for a Unit of Study

Over the next few weeks, we will be working through a new unit of study. This relevance statement is designed to help you better understand why learning these concepts and skills matters to YOU. It also gives you a space to track your progress toward learning the essential concepts and skills during this unit.

**Student Name:**

Name of Unit: \_\_\_\_\_ Start Date of Unit: \_\_\_\_\_

**Why We Are Learning This:**

**Learning Targets to Master:**

**Your Summary:** Now that you have read the relevance statement your teachers have created, use the two questions below to craft a summary about why these concepts and skills are important to learn.

1. Why are you learning these skills?
2. How will you know when you have learned these skills?

**Your Self-Rating:**

*Use the scale below to keep track of your progress toward mastering each of the learning targets for this unit.*

1	2	3
I have difficulty understanding these concepts or knowing how to do these skills and need help to learn how to do them correctly.	I understand these concepts and know how to do these skills some of the time, but I still make mistakes and need to practice to get better.	I understand these concepts and know how to do these skills, and I can teach them to another person.
