### Response (Res.) Key

- FG** = Flexible groups (small groups of students with same readiness level, interest level, or learning preference—homogeneous groups OR small groups of students with different readiness levels, interest levels, or learning preferences—heterogeneous)
- 1o1** = One on one (reteaching or extending a concept with just one student and you, the teacher)
- VAK** = Different modality (visual, auditory, and kinesthetic)
- S** = Spiral back in (come back to this target another time)
- R** = Reteach (retaught the target in a different way; could be one on one or in small group or whole class depending on what was observed)
- SS** = Scaffold strategies (gradually release the responsibility given to student to perform the task or learn the content depending on what student needs)
