

Synthesis Tool, Part 2

This worksheet is designed to help readers capture core insights and help with planning toward implementation. Please explore the following questions as you read, ideally in small leadership teams, faculty teams, or both.

The Ecosystem

Questions to consider:

- Which strategies best suit the needs of your students?
- Which strategies best suit your needs as a teacher or leader?
- What are the potential challenges of implementation?
- What might be some solutions to those challenges?

The Horizon

Questions to consider:

- Which strategies feel best suited to the needs of your students?
- Which strategies feel best suited to your needs as a teacher or leader?
- What are the potential challenges of implementation?
- What might be some solutions to those challenges?

The Pathway

Questions to consider:

- Which strategies best suit the needs of your students?
- Which strategies best suit your needs as a teacher or leader?
- What are the potential challenges of implementation?
- What might be some solutions to those challenges?
