

## Self-Assessment and Goal Setting During Exploration

Teachers can provide this tool to students to help them begin to set goals, articulate their success criteria, and plan for the next steps of the creative process. Students can store this tool in a portfolio and use it later in the creative cycle for reflection and planning. Teachers can also use this tool to design supports for students.

Learning goals I am planning on addressing:			
My Goal	Materials and Resources	Prior Knowledge and Skills	Action Steps
I am going to try to . . . because . . .	I think I might need . . . to get started.	I already know . . . I can already do . . .	I am still wondering . . . To get started, I will need to . . .
Criteria for Success			
I will know I am experiencing success when . . .			
I will know I need to rethink my plan if . . .
