

## Figure A.4: Parent- and Family-Engagement Action-Plan Questions

Utilize the following questions to create an action plan to assist in increasing your school's parent and family engagement.

1. What is our current reality regarding parent and family involvement and engagement?
2. What are our potential obstacles in this area?
3. What data sources do we have to support this area?
4. What data sources will we need to measure and monitor success in this area?
5. For this school year, what should our SMART goal be in this area?
6. Who will be responsible for monitoring the results for this goal?
7. What specific resources and materials will we need to meet this goal?
8. What specific actions will we implement to meet this goal?
9. How will we know when we are successful in this area?
10. How will we celebrate our efforts when we meet this goal?
