

## Next Steps Tool for Chapter 2

1. Which school and district staff members and parents will be key players in our family-engagement guiding coalition?
2. What data will we use to collect as a baseline for our goal-setting efforts?
3. What do our data currently tell us about our family involvement and engagement efforts in our school?
4. How does our school define a volunteer?
5. What are some current obstacles and barriers that prohibit more involved and engaged parents?
6. What events and opportunities does our school currently provide for our parents and families?
7. What specific activities, strategies, and resources could our school provide to help increase parent, family, and community involvement and engagement?
8. What SMART goals could we create to help guide our work in raising parent and family involvement and engagement?
