

Next Steps Tool for Chapter 7

1. Do we provide parents and families with opportunities to know and understand the school's current reality based on academic and social data? If not, how can we improve?
2. Are our school's data currently posted on our school website? If not, how can we improve?
3. Do teachers and teams transparently track and monitor data in the classroom? If not, how can we improve?
4. Do our students track and monitor their own personal academic progress? If not, how can we implement this strategy?
5. As a school, do we systematically create opportunities to inform our parents and families about our assessment processes and procedures and the success criteria students need to show proficiency? If not, how can we do this?
6. Based on the responses to these questions, what are some potential next steps and actions our team can take to enhance a focus on collaboration for our parents and families?
